

4. For each item listed below, mark the number in the left column that best describes your level of understanding BEFORE the program; and then mark the number in the right column that best describes your level of understanding AFTER the program. Do not respond to topics not covered in the program.

	Poor	Fair	Good	Excellent	BEFORE Program				AFTER Program			
	1	2	3	4	1	2	3	4	1	2	3	4
Texas budwood program, its role in protecting against new citrus diseases and potential impact of Citrus Greening	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Seed propagation techniques, recommended rootstocks and young tree planting and care	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Proper irrigation, nutrition and freeze protection of mature citrus trees in the landscape	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Identification of general citrus diseases	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Identification and control of citrus insect pests and their natural enemies	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Identification and collection techniques for Asian Citrus Psyllid and Citrus Greening disease?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

5. Please indicate your intentions to adopt the practice(s) discussed in each of the following areas, or indicate if you have already adopted the practice(s). Do not respond to topics not covered in the program.

Do you plan to . . .	Definitely Will Not	Probably Will Not	Undecided	Probably Will	Definitely Will	Already Adopted
Identify the appropriate citrus cultivars with respect to cold hardiness and select planting sites that will mitigate freeze injury.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Install or construct freeze injury protection equipment for growing citrus in the home landscape	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Propagate your own rootstocks from seed, obtain budwood from certified sources and perform your own grafting/budding	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Use a magnifying glass to assess populations of plant feeding mites and insects	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Grow and market locally grown citrus fruit	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Purchase and plant citrus plants grown by Texas nurseries	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. Do you own patio or dooryard citrus plants now? Yes No

7. Do you think the practices you adopt as a result of this program will result in \$\$\$ savings or increased profits?

- Yes —————> If YES, what do you anticipate the yearly savings to be?
 No \$10 - \$24 \$25 - \$49 \$50 - \$99 \$100 - \$199 \$200 - \$499 \$500 or more

8. How much do you estimate the risk of Citrus Greening can be lowered by this program?

- Under 10% 10% - 25% 26% - 50% Over 50%

9. What is the most significant thing you learned during the Program (feel free to list more than one)?

10. What other information do you need pertaining to these topics?
